10.2 No deviation whatsoever, either in full or in part, the Conditions of the Bidding Documents as specified in the Special Conditions of Contract is permitted by the BESCOM. Therefore, the Bidders are advised that while making Bid Proposals and quoting Prices, these conditions may appropriately be taken into consideration. Bidders are required to upload no-deviation certificate as mentioned in techno-commercial sheets.

10.3 The Bidder shall complete all the Schedules & Annexure in the Bid Proposal Sheets, Technical Data Sheets. The Qualifying Data shall be filled in the required Schedule of Techno-Commercial sheets. While furnishing Qualifying Data, only the list of executed Works, similar in nature to the tendered Scope of Work, shall be furnished.

11.0 **Bid Price:**

11.1 The bidders shall quote only the percentage above or below or equal to the individual Schedule of material / labour charge for the said work in the KPP portal, **which shall be** inclusive of Freight & insurance charges and all applicable Taxes such as CGST, SGST, IGST, UTGST, Custom Duties on Imports, CESS, if any for supply, Erection, Testing and Commissioning and other Services under the contract as the case may be.

11.2 **The percentage price shall be inclusive of the following.**

i. The price of the goods quoted ex-factory / ex-works /ex-warehouse as applicable, inclusive of all duties and levies paid or payable on components, sub-assemblies and raw materials.

ii. Applicable CGST, SGST, IGST, UTGST, Custom Duties on Imports, levies, CESS if any which will be payable by the Owner on the Goods, if this Contract is Awarded.
iii. Inland transportation charges include handling charges and other costs incidental to delivery of the goods to their final destination and insurance charges including all applicable taxes thereon.
iv. The cost of erection, testing and commissioning as well as associated civil, structural works including all applicable taxes thereon.
v. The Bidder shall include levies, surcharge / CESS etc., on erection, testing and commissioning as well as associated civil, structural works as applicable in their break up price and BESCOM would not bear any additional liability on this account. BESCOM shall, however, deduct such tax at sources as per the rules and issue necessary Certificate to the Contractor.

The Bidder shall be able to provide the break up when sought by the BESCOM.

11.3 Bid Currency shall be exclusively in Indian Rupees. The bids offered in any other currency other than Indian currency would summarily be rejected.

11.4 Any alteration in the rates etc., will not be allowed on any ground, such as mistake, misunderstanding etc., after the Bid has been submitted.

12.0 **Price Basis:**

12.1 The approved prices are fixed throughout the contract period. The prices are variable only for the materials mentioned in clause 14.0 of section ITB of the bid document.

13.0 **Taxes and Duties:**

13.1 In case of Award of Contract, a Single Works Contract covering both Supply & Erection portion of the Fixed Price Contract will be issued to the successful Bidder.

13.2 **(i) Applicable Custom Duties on Imports, levies, CESS if any** payable on supply of material / equipment, component sub-assemblies, raw materials and any other items used for the contractor's consumption or dispatched directly to the site stores of the contractors, associated civil works and erection works shall be included in the total bid price and any such **taxes,** duties levies etc, **additionally payable due to statutory variation or due to introduction of new tax or taxes, duties and levies not considered by the Bidder but payable as applicable on the date of bidding etc., shall be to the Bidder's account and no**

separate claim on this behalf shall be entertained by the owners either during the contractual period or during the extended period if any.

(ii) Materials supplied by the Bidder to the Owner:

All applicable CGST, SGST, IGST, UTGST, Custom Duties on Imports, levies, CESS if any., in respect of all materials, under the contract shall be included in the total bid price, but they shall be indicated separately as mentioned in clause 11 supra.

Any such taxes, duties, levies etc., not considered by the Bidder but payable as applicable on the date of bidding shall be to Bidder's account and no separate claim on this behalf shall be entertained by the Owner.

(iii) Erection works:

The applicable cess if any etc., & other statutory charges shall be included in the price bid, and shall be indicated separately in price schedules as mentioned in clause 11 supra.

Any such taxes, duties, levies etc., not considered by the Bidder but payable as applicable on the date of bidding shall be to Bidder's account and no separate claim on this behalf shall be entertained by the BESCOM.

(iv) In case of any statutory variation in **CGST, SGST, IGST, UTGST, levies, CESS if any** or if any **tax**/ duty/levy is newly introduced by the government applicable for this contract with effect from the next day of the date of submission of the bid these variations/additional **taxes**/ duties/ levies will be to the account of the Owner. In case the Bidders indicate lesser rates of **taxes** & duties with reference to the prevailing rates of **taxes** & duties at the time of bidding, any variations in the **taxes** and duties would be paid/recovered keeping the rates of **taxes** & duties applicable as on the **last date of Techno-Commercial Bid Submission as notified (either original or extended) as** the base and not the quoted rates of **taxes** & duties for payment/recovery of difference in the **taxes** and duties. If the contractor is required to pay additional **tax** or duty, then the owner shall reimburse the contractor the additional **tax** or duty so paid by the contractor against submission of documentary evidence to the satisfaction of the owner by the contractor. If there is a reduction in the taxes/duties with effect from the next day of the date of submission of the bid, the individual item rates / contract price will be reduced to that extent or recovered from the bills due to the Contractor. This provision will be applicable to Supply, erection and civil works.

Note: Additional tax liability on account of change in the sources of the equipments/materials, if any, will be to bidders account only.

The claims against statutory variation, in principle, would be settled as reimbursement provided the contractor furnishes documentary evidence to establish that the extra amount claimed due to statutory variation was in fact paid by him solely on account of such statutory variation. This may vary from case to case depending upon the nature of statutory variation.

13.3 The BESCOM will deduct Tax at Source as per applicable law from the proceeds payable to the Contractor.

13.4 The bidder must be GST registered firm having GSTIN.

13.5 As regards the Income Tax, Surcharge on Income Tax and any other Corporate Tax, the BESCOM shall not bear any Tax liability whatsoever. The Bidder shall be liable and responsible for Payment of such Taxes as mandated under the provisions of the Law.

13.6 Notwithstanding anything stated in the Sub-Clause 13.1 to 13.5 above, the BESCOM shall have the right to make deduction at Source from the amounts payable to the Contractor against this Contract in respect of any Tax liability as may be Mandatory in terms of the Law. The BESCOM shall not bear any liability in this regard but shall issue necessary TDS Certificate in respect of such deductions made.

13.7 The Owner's liability for all taxes and duties under the contract shall be limited to only those indicated by the Bidder in the break up prices subject to the statutory variations and variations as per clause No. 13.2 supra.

If the cost of the Contract during the performance of the contract shall be increased or reduced by reasons of the making, passing or promulgation of any law after the date of submission of bid or by any order, regulation or by-law having the force of law, the amount of such increase or reduction shall be added to or deducted from the 'Contract Price' as the case may be. It is the Bidder's responsibility to furnish details of **taxes,** duties, levies, etc. applicable as on the date of submission of the bid.

13.8 No Claim for any increase towards the Statutory Variation regarding enhancement of existing **CGST, SGST, IGST, levies, cess if any** or introduction of a new Tax or Duty applicable shall be entertained by the BESCOM during the extended period of Contract, if any, if the extension of the Contract is required due to the causes attributable to the Contractor.

13.9 Before quoting, the Bidder shall ascertain from the concerned **Tax** Authorities of Government of Karnataka/ Govt. of India, the applicability of

CGST, SGST, IGST, UTGST, Custom Duties on Imports, levies, CESS if any etc., **as on the last date of** Techno-Commercial Bid Submission as notified (either original or extended) in respect of this Package and include the same in the quoted Price. No separate Claim in this regard will be entertained by the Owner, as it is the responsibility of the Bidder to pay all these **Taxes**.

Note: The successful bidder shall be entirely responsible for payment of all **taxes**, levies, duties, license fees, etc., incurred until delivery of the contracted goods to the purchaser. In respect of supply portion, the successful bidder shall pay all types of fees, levies, **taxes**, duties etc. required to be paid by any National or State statute, ordinance or other law or any regulation or bye-law of any local or other duly constituted authority in relation to the execution of works and by the Rules and Regulations of all Public bodies and companies whose property or rights are affected or may be affected in any way of the works. The successful bidder shall in compliance with the above keep the Purchaser indemnified against all such penalties and liability of every kind for breach of any statute, ordinance or law, Regulation or bye-law. Nothing in the contract shall relieve the successful bidder from his responsibility to pay any **tax** that may be levied by the Government on the turnover / profits etc., made by him in respect of the contract.

13.10 **Building and other construction workers welfare CESS:**

The Building and other construction workers welfare cess act 1996, came into operation with effect from 3rd day of November 1995, the government has decided to collect cess with immediate effect. Accordingly the government has issued order no.LD/300 LET/2006 dated 18.01.2007& 28.02.2007

25.7 In case the information furnished in the 'Proposal' contradicts Specification requirements, the Specification requirements will govern, unless otherwise brought out clearly in the Technical Commercial Deviation Schedule.

E. BID OPENING AND EVALUATION

26.0 Opening of Bids by Owner:

26.1 On the Date and Time fixed by the Owner for opening of Bids, the tender will be opened for verification of payment of Tender Processing Fee and EMD by

the Owner. **Thereafter, the Techno -Commercial Bids will be opened on** the Date and Time for opening of Bids stipulated in the Invitation For Bid or in case any extension has been given thereto, on the extended Bid opening Date and Time notified in the KPP portal and also open the sealed cover containing the Document (as described in Clause 21.4.2 of Section-ITB).

26.2 The Bidder's Names qualified for Techno-Commercial Opening will be available on the website after opening.

27.0 Techno-Commercial evaluation & Purpose of Evaluation of Bids:

27.1 The Techno-Commercial Bids accepted and opened, will be evaluated by the Owner to ascertain the Technical Responsiveness of the Bid for the complete Scope of the Proposal as per the pre-qualifying requirements stipulated in the tender.

27.2 **Confidentiality:**

27.2.1 Information relating to the examination, evaluation, comparison and post qualification of bids and recommendation of contract award, shall not be disclosed to the bidders or any persons not officially concerned with such process until information on the contract award is communicated to all bidders.

27.2.2 Any attempt by a bidder to influence the owner in the evaluation of the bids or contract award decisions may result in the rejection of its bid.

27.2.3 Notwithstanding ITB 27.2.2, form the time of bid opening to the time of contract award, if any bidder wishes to contact the owner on any matter to the bidding process, it may do so in writing.

28.0 **Policy for Bids under consideration:**

28.1 Bids shall be deemed to be under consideration immediately after opening of Techno-Commercial Bid and until such time official intimation of Award / rejection is made by the Owner to the Bidders. While the Bids are under consideration, Bidders and/or their Representatives or other interested Parties are advised to refrain from contacting by any means, the Owner and/or his Employees/ Representatives on the matters related to the Bids under consideration.

No Bidder shall contact the owner on any matter relating to its Bid, from the time of the Bid opening to the time the contract is awarded.

Any effort by a Bidder to influence the Owner in the Owner’s Bid evaluation, Bid comparison or Contract award decisions, may result in disqualification.

29.0 Clarification of Bids:

To assist in the examination, evaluation and comparison of Bids, the BESCOM may, at his discretion, ask the Bidder for a clarification on **already uploaded documents** of their Bid. The request for clarification and the response shall be in writing and no change in the price or substance of the bid shall be sought, offered or permitted.

30.0 Preliminary Examination:

30.1 The Owner will examine the Bids to determine whether they are complete, whether any computational errors have been made, whether required Sureties have been furnished, whether the Documents have been properly signed, and whether the Bids are generally in Order.

30.2 Arithmetical errors will be rectified on the following basis:

If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected. If there is a discrepancy between the total bid amount and the sum of total costs, the latter shall prevail and the total bid amount will be corrected accordingly. If there is a discrepancy between words and figures, the amount advantageous to the Owner will prevail. If the Bidder does not accept the correction of the errors as above, his bid will be rejected and the amount of bids security will be forfeited.

30.3 Prior to the detailed evaluation, the Owner will determine the substantial responsiveness of each Bid to the Bidding Document. For purpose of these Clauses, a substantially responsive Bid is one which conforms to all the Terms and Conditions of the Bidding Document without Material Deviations. A Material Deviation is one which affects in any way the Prices, Quality, Quantity or Delivery Period of the Equipment, Completion of Works or which limits in any way the responsibilities or liabilities of the Bidder or of any right of the Owner as required in these Specifications and Documents. The Owner's determination of a Bid's responsiveness shall be based on the contents of the Bid itself without recourse to extrinsic evidence.

30.4 A Bid determined as not substantially Responsive shall be rejected by the Owner and shall not subsequently be made Responsive by the Bidder by correction of the Non- conformity.

30.5 The Owner may waive any minor infirmity or Non-conformity or irregularity in a Bid which does not constitute a Material Deviation, provided such waiver does not prejudice or affect the relative ranking of any of the Bidder.

31.0 (a) **Evaluation of Price Bids:**

i. **Definitions and Meanings:**

For the purpose of the evaluation and comparison of Bids, the following meanings and definition will apply.

"Bid Price" shall mean the **total price arrived based on the percentage indicated above or below or equal to the individual Schedule of material / labour charge for the said work in the KPP portal of the respective enquiry Price Schedule** quoted by each Bidder in his proposal for the complete scope of works.

ii. All evaluated Bid Prices of the Bidders shall be compared among themselves to determine the Lowest Evaluated Bid and the Lowest Bid, as a result of this comparison, will be selected for the Award of the Contract. (Subject to the conditions mentioned in clause 11-Note (b) of IFB)

iii. As this is a percentage tender, while awarding the Contract to the successful agency, the accepted percentage above or below or equal to the Schedule of material / labour rate, will be uniformly applied on the Schedule of material / labour rates of all the individual materials/labour items under the scope of the award to arrive the unit FORD price of individual materials/items and based on these item wise fixed prices, the individual work awards / orders will be issued by the concerned C, O&M Executive Engineers. However, the total cost of the item wise fixed price contract is awarded at the approved percentage on the amount put to tender for 12 months.

31.0 (b) **Abnormally low bids:**

(i) An abnormally low bid is one where the bid price, in combination with other elements of the bid, appears to be so low that it raises concerns as to the capability of the Bidder to perform the contract for the offered bid price

(ii) When the offered bid price appears to be abnormally low, the Owner shall undertake a three-step review process as follows:

- identify abnormally low costs and unit rates by comparing them with the engineer's estimates, other substantially responsive bids, or recently awarded similar contracts;
- clarify and analyze the bidder's resource inputs and pricing, including overheads, contingencies and profit margins; and
- decide whether to accept or reject the bid.

(iii) With regard to ITB 31.0 (b) (ii) above, the Owner will seek a written explanation from the bidder of the reasons for the offered bid price, including a detailed analysis of costs and unit prices, by reference to the scope, proposed methodology, schedule, and allocation of risks and responsibilities. This may also include information regarding the economy of the manufacturing process; the services to be provided, or the construction method to be used; the technical solutions to be adopted; and any exceptionally favorable conditions available to the bidder for the works, equipment or services proposed.

(iv) After examining the explanation given and the detailed price analyses presented by the bidder, the Owner may:

(a) accept the bid, if the evidence provided satisfactorily accounts for the low bid price and costs, in which case the bid is not considered abnormally low;

(b) accept the bid, but require that the amount of the performance security be increased at the expense of the bidder to a level sufficient to protect the Owner against financial loss. The amount of the performance security shall generally be not more than 20% of the contract price; or

(c) reject the bid if the evidence provided does not satisfactorily account for the low bid price.

31.0 (c) **Un-balanced or front loaded:**

(i) If the Bid, which results in the lowest evaluated Bid Price, is seriously unbalanced or front-loaded in the opinion of the Owner, the Owner may require the Bidder to produce detailed price analyses for any or all items of the Bill of Quantities, to demonstrate the internal consistency of those prices with the construction methods and schedule proposed, as well as the pricing and sources of materials, equipment and labor.

(ii) After the evaluation of the information and detailed price analyses presented by the Bidder, the Owner will accept the Bid; or reject the Bid.

F. AWARD OF CONTRACT

32.0 **Award Criteria:**

32.1 a) The Owner will award the contract to the Successful Bidder whose bid has been determined to be substantially responsive and has been

determined as the lowest evaluated bid, provided further that the Bidder is determined to be qualified to perform the contract satisfactorily. The BESCOM shall be the sole judge in this regard.

b) While awarding the Contract to the successful agency, the approved percentage above or below or equal to the Schedule of material / labour rate, will be uniformly applied on the Schedule of material / labour rates of all the individual materials/labour items under the scope of the award to arrive the unit FORD price of individual materials/items and based on these item wise fixed prices, the individual work orders will be issued by the concerned C, O&M Executive Engineer. However, the total cost of the item wise fixed price contract is awarded at the approved percentage on the amount put to tender for 12 months**.**

32.2 In case of Award of Contract, a **Single Work Contract** covering the both supply & erection portion will be issued to the successful bidder.

32.3 Not withstanding the above, if it is found that the performance vis – a - vis works awarded to the Bidder by BESCOM is either behind schedule or not satisfactory, BESCOM will be at liberty to disqualify the Bidder.

Bidder shall note that BESCOM may not award the work to successful bidder , even if it is lowest quoted offer (L1), if in opinion of BESCOM based on its experience, the firm may not perform well in execution of work and may delay in execution because of its existing works on hand.

33.0 **BESCOM's right to accept any Bid and to reject any or all Bids**:

33.1 The Owner reserves the right to accept or reject any Bid, and to annul the Bidding process and reject all Bids at any time prior to Award of Contract, without thereby incurring any liability to the affected Bidder or Bidders or any obligation to inform the affected Bidder or Bidders of the grounds for the BESCOM's action.

34.0 **Notification of Award:**

Issue of LOI constitutes the Contract.

Upon the successful Bidder furnishing of Performance Guarantee pursuant to clause 36.0, BESCOM will issue award.

35.0 Signing of Contract:

35.1 **BESCOM will send the Bidder the Letter of Intent (LOI), incorporating all agreements between the Parties.**

35.2 Within 7 days from the date of the Letter of Intent, the successful Bidder shall submit the letter of acceptance to the Owner.

35.3 The Successful Bidder shall submit the performance guarantee and prepare the Contract Agreement on stamp paper of value in conjunction with the Karnataka Stamp Act, 1957, as per the Pro-forma enclosed within 15 days from the date of LOI.

35.4 The Successful Bidder shall furnish Price break up details for all the materials along with the Contract documents as per clause 11.3 above.

35.5 The Successful Bidder shall observe all the formalities stipulated in the LOI within the stipulated period failing which, BESCOM reserves the right to cancel the offer and forfeit the Earnest Money deposited by the Bidder.

36.0 **Contract Performance Guarantee:**

36.1 As a Contract Performance Guarantee, the Successful Bidder, to whom the Work is awarded, shall be required to furnish the Performance Guarantee in the form of **Bank Guarantee** issued by a Public Sector Indian Bank/Scheduled Commercial Bank (in the second schedule of the RBI Act-1934) and the Bank should be covered under jurisdiction of Indian laws in the form attached as Annexure in favor of **Chief Engineer (Ele.,), BRAZ, BESCOM, Bengaluru. The Contract Performance Guarantee amount shall be equal to FIVE percent (5%) of the Total awarded Contract Value** and it shall guarantee the faithful Performance of the Contract in accordance with the Terms and Conditions specified in these Documents and Specifications. **The Guarantee shall be valid up to 90 days after the end of Warranty/Guarantee Period**.

36.2 The Performance Guarantee shall cover additionally the following Guarantees to the Owner:

a) The Successful Bidder Guarantees the Successful and Satisfactory Operation of the Equipment in the Scope of the Contract, as per the Specifications and Documents;

b) The Successful Bidder further Guarantees that the Equipment provided by him/his sub-Vendors shall be free from all defects in Design, Material and Workmanship and shall upon written Notice from the Owner, fully remedy free of expenses to the Owner, such defects as developed under the normal use of the said Equipment within the period of Guarantee specified in the relevant Clause of the General Terms and Conditions in this Volume-I/ Special Conditions of Contract.

36.3 The Contract Performance Guarantee is intended to secure the Performance of the entire Contract. However, it shall not to be construed as limiting the “Damages” under Clause entitled "Equipment Performance Guarantee" in Technical Specifications, Volume-II and “Damages” stipulated in other Clauses in the Bid Documents.

36.4 The Performance Guarantee will be discharged without any interest at the end of Guarantee Period, unless otherwise specified in SCC.

36.5 Failure of the successful Bidder to comply with the requirement of Clause **36.1** shall constitute sufficient grounds for the annulment of the award and forfeiture of the Bid security and blacklisted the bidder, **in such event BESCOM will call for new Bids.**

36.6 ADDITIONAL DEPOSIT:

As per NGT / pollution control board guidelines in all works consideration of alternative materials other than sheet moulded compound(SMC)/fibre reinforced plastic(FRP)/Thermoset plastic materials is more advisable. However if there is no alternative and if these materials are used for execution of works, then these materials has to be disposed by the contractor them self with the following procedure.

a) All the SMC / FRP and thermos set plastics, scraps to be sent to the store after removing the other metal components by putting zero return down value.

b) Responsibility has to be fixed on the contractor to take back the scrap material as and when failed, for disposal.

c) In order to monitor this process, it is made mandatory to collect **2% of Material Cost (as a disposal cost)** for the materials used made of FRP / PLASTIC / SMC & Polymer Material which are purchased by the contractor for execution of works. The concerned Division Executive Engineer (Ele.,) shall collect **2% of material cost (Disposal Cost)** from contractor under the **Account head 46.9967 during billing process**. If the firms, disposes the materials by collecting the scrap materials from stores by their own, then these deposit to be returned duly observing the audit procedure and certified by the field / store officer . If otherwise same cost to be utilized by the BESCOM for disposing the above said material.

37. Corrupt or Fraudulent practices

37.1 The GOK requires that the Tenderers/Suppliers/Contractors, observe the highest standard of ethics during the procurement and execution of such contracts. In pursuance of this policy, GOK :

(a) Will reject a proposal for award if it determines that the Bidder recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question;

(b) Will declare a firm ineligible, either indefinitely or for a stated period of time, to be awarded a GOK contract if it at any time determines that the firm has engaged in corrupt or fraudulent practices in competing for, or in executing, a GOK contract.
